REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Central High School continued to pursue its mission of "preparing productive citizens and life-long learners in an ever-changing society" during the 2012-2013 school year. The school focused on continuing to improve graduation rates and increasing the passing rate on the South Carolina High School Assessment Program (HSAP). Central High School was recognized for academic excellence by the South Carolina Department of Education, which presented the school a Palmetto Gold Award for overall performance.

In keeping with the district's theme of "Excellence in Academics, Athletics and Arts", Central High School also excelled in sports, including a region championship in football and playoff berths in six team sports. The marching band program continued to grow, with a number of musicians qualifying for all-state, while the chorus program was invited to represent the school at various functions in the two Carolinas.

The initiatives and combined efforts of the staff and community have produced positive results for Central High School, as well as the communities served by the school. Continued efforts in these fields will only lead to continued success for all of the stakeholders at Central High School. Central looks forward to building on these successes and striving to achieve its mission of helping each student reach his or her potential.
